

VEIKKA SAKARI JUNTILA

About Me

I'm a trilingual (Japanese – English – Finnish) aspiring business analyst, currently living and working in Japan alongside my studies. My skills and knowledge set is twofold: I have a good grasp of business fundamentals (accounting, finance, microeconomics) while possessing a wide range of IT skills, with a focus on Data.

Experience

Coordinator for International Relations

Oct 2021 – current

Ohnan Town, Shimane prefecture

Coordinator for International Relations (CIR) in the JET Programme. Translation and interpretation; Japanese <→> English and Japanese <→> Finnish, organizing cultural exchange between Japanese and Finnish schools, promoting Finnish culture on a grassroots level.

Various part-time jobs

2016 – 2020

Part-time work in the Greater Helsinki area alongside university studies. Mostly in retail and logistics, e.g. sorting and loading cargo at a warehouse and sales staff duties at a home center.
